

## Parish Council Elections

As Parish Clerk I have received the following information from South Norfolk Council for anyone wishing to stand as a Parish Councillor.

'For those interested in standing for District or Parish elections, the election timetable starts next week.

If candidates need help with electoral numbers for their nomination forms, please call the Elections Team on 01508 533704.

Nominations for the elections can start to be submitted from **9am next Wednesday 20 March**. Informal nomination checks will be provided during the nomination period. They must be received by the **deadline of 4pm on 3 April**; however we recommend candidates submit them earlier rather than too close to the deadline, when there may not be time to rectify problems. Forms must be hand delivered between 9am & 4pm on working days between 20 March and 3 April, to the Council offices at South Norfolk Council Offices, Cygnet Court, Long Stratton, NR15 2XE

Nomination forms can be downloaded from <https://www.south-norfolk.gov.uk/residents/elections-and-registration/current-elections>

Please would you add the <https://www.south-norfolk.gov.uk/residents/elections-and-registration/current-elections> link to your website, to improve access to election information by electors and candidates within your parish and yourself.

We will be updating this page as we progress through the election timetable, including election notices ( Notice of election, Statement of persons nominated etc)

If you or candidates have any problems or require additional information please email [elections@s-norfolk.gov.uk](mailto:elections@s-norfolk.gov.uk) or phone 01508 533704.

Best wishes
