

Bergh Apton Charities 2024 Annual Parish Meeting report

Bergh Apton Charities is the working name of the Thursby and Poors Allotment Trust. The Trust was registered with the Charity Commission in 1966. The charity holds land and financial investments, designed to provide income which can be distributed in accordance with the charities aim of providing relief to residents of Bergh Apton.

Last year trustees approved a distribution to 21 beneficiaries who each received £140 to assist with living costs. The total distribution of £2940 is the largest on record, due to the increased sum agreed after a period of high inflation.
